The Honorable Michael J. Copps
Commissioner, FCC
Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Dear Mr. Copps,

This is to express my concern over the pressure that is being put on the Federal Communications Commission to make changes in the rules that prohibit monopoly ownership of media sources.

To allow huge conglomerates to control what you and I and all Americans can see on TV, read in newspapers or hear on radio is more than a little bit frightening. In my wildest imagination I can't see how you and your Commission could allow this to happen. That is not what America is all about.

I sincerely hope that you will represent we average Americans who are not rich and powerful and not bow to the groups that would like to control what you and I can see and hear.

Sincerely,

A handwritten signature in cursive script that reads "Ruth E. Hansen".
